Live life Comfortably.®

Comfortable sleep sofa?

Yes, it does exist.

Now you can tell your guests to sleep well...
and know they will.

Experience a new level
of sleeping comfort.

3 distinct mattress systems

 **MemoryFoam**
mattress system

For the ultimate in sleeping comfort, upgrade to a Memory Foam mattress. Featuring a quilted top layer with 3/4" of Memory Foam sewn right in, covered by 280 count cotton sateen followed by a second 1" layer of Memory Foam over a 3" high density foam base. It's unparalleled cushioning that conforms to every curve for complete body support that returns to shape after each and every use.

 **SlumberAir**®
mattress system

Put sleepless nights to rest with our luxurious SlumberAir® mattress upgrade. With a 6" cushion of air over a 4" innerspring base, this exclusive system surrounds you with air-cushioned softness that conforms to your every curve for head-to-toe support. Featuring an easy-to-use hand-held air pump, you can instantly inflate the mattress and customize your firmness level in a matter of seconds.

SupremeComfort™
mattress system

You can rest easy knowing your La-Z-Boy® sleep sofa comes standard with an added layer of padding and a luxurious innerspring mattress. Designed to conform to the body for optimum sleeping comfort, this quality innerspring coil system offers added support to ensure a perfect night's sleep.
